Idiqlat - Documentation

Thank you for your interest in the Idiqlat fonts. This font family supports the East Syriac style of the Syriac script.

This documentation is a set of HTML pages that can be viewed in any modern web browser. PDF versions of these pages are also provided. This content, plus download links and a contact form, are available from the Idiqlat site.

- About Information about this project and SIL Global
- Resources Help with installation and use
